Great weekend of tournament play over all by all our teams. Alhambra went out and competed at the top level in all divisions and all teams.

Our BU12 boys team Coached by Javier Dell Valle and Leticia Peralta took home **1ST PLACE CHAMPIONS** with an impressive run while only allowing 1 goal all weekend, the boys and coaches did a fantastic job.

Our GU12 team Coached by Steve Shahin also had a terrific run and they too only allowed 1 goal all weekend, unfortunately at the wrong time, finishing **2ND PLACE RUNNER UP**.

As coordinator and I was very happy in the way our teams fought and competed out on the field.

All of us should be proud of the way in which our player, parents, coaches and volunteers all conducted themselves on and off the field.

Notes:
 DNQ = Did Not Qualify for top 4
 ASC = Arroyo Seco Cup
